

... more than a kitchen ...

Chinese wok cookers

Powerful wok cooker
for the Asian kitchen

Rubbens Chinese cooker

Strength and comfort come together

The Rubbens stainless steel wok tables are specially designed for the Asian gastronomy. The wok cookers are provided with extremely powerful burners of 27,5 kW and a cast iron wok ring of \varnothing 280 mm. The surface cooling and cleaning waterflow ensure that the top stays cool and spilled ingredients are being washed away.

Quality in every detail

The top of the tables is 5 mm thick. It consists of 2 mm stainless steel and 3 mm galvanized steel for added strength and durability. The rear wall of the model is provided with a rear splash back of 400 mm. The water tap is mounted to this for filling and flushing the pans.

Multifunctional

The Chinese Wok is available with a soup burner of \varnothing 230 mm and a power of 9,2 kW. This burner is provided with a flat cooking grate for ordinary pans. An additional extension ring for small woks is included. The Chinese woks are available as wall-, island- and table models.

Custom made

The Chinese woks are available in many different models. Do you want a Chinese wok that is tailored to your needs? Ask our advisors about the possibilities.

TYPE	MODEL	WOK BURNER	SOUP BURNER	SIZE	KW
