

Rubbens custom made cooking ranges

... more than a kitchen ...

Create your own Rubbens cooking range

The dream of every chef: a custom made multifunctional Rubbens cooking range whose equipment is hygienic and practical, seamlessly integrated. All cooking ranges are made of stainless steel 304 and have a 2,5 mm thick top. The tops are Scotch Brite brushed finished. Optional the top has a non-directional pattern or is provided with a mirror polished edge. Available depths: 750 | 800 | 900 mm.

Available units:

- gas burners
- fry tops
- cooking plates ceramic
- cooking plates electric
- induction cooking plates
- induction woks
- fryers gas & electric
- scoops
- vapogrills
- pastacookers
